The dispute requiring judicial attention concerns whether the proposed Protective Order should include a provision allowing Defendants to designate certain Confidential Information as “Competitively Sensitive Confidential Information.” Defendants have proposed this provision in response to the Court’s September 13, 2018 Oral Order (D.I. 106) rejecting Defendants’ proposal for Paragraph 13 of the Protective Order “without prejudice to Defendants having an opportunity to propose a more targeted provision to address their concerns.”

Respectfully submitted,
